### Selection process

- Initially, the committee will be comprised of three filmmakers and producers whose philosophies reflect those of Main Film and who represent a variety of practices (experimental/fiction/documentary/visual arts/installations), genres, and cultures. Over time, Active Members will be integrated into the committee in order to create a joint committee of filmmakers and producers, made up of members and non-members of Main Film.
- The members of the committee will be appointed for one year and will sign a conflict of interest and confidentiality agreement.

### Cost and duration of membership

- **Membership fees** : \$170/year – unchanged for 10 years!
  - 100\$/year Active Member rate + 70\$/year Associate Member rate
- Membership duration : 3 years
- **During the initial three-year period, you are a probationary Active Member.**
- **After three years**, if your dues have been paid on time and you have complied with the conditions of the participation policy, you will obtain the status of **permanent Active Member**.
